March 16, 2006

To: Senate Committee on Intergovernmental Affairs
Senator David Ige, Chair
Senate Committee on Judiciary and Hawaiian Affairs
Senator Colleen Hanabusa, Chair

By: Ed Thompson, Government Affairs

Re: HB 1488 Relating to Fireworks

Chairs Ige & Hanabusa and Members of the Committees:

The Hawaii Food Industry Association supports this measure.

Religious entities are already exempt from other fees and taxes and this exemption should not cause any hardship on government.

Thank you for allowing me to testify on this bill.
