Re: Testimony on S.B. 2583  
Relating to Highway Hazard Evaluation Data

---

Thank you for the opportunity to submit testimony on S.B. No. 2583 relating to Highway Hazard Evaluation Data.

The Office of Information Practices (“OIP”) respectfully submits that the reference to Chapter 92, HRS, in the newly added subsection (d) should be corrected to reference Chapter 92F, HRS.

Part I of Chapter 92, HRS, is the State’s Public Agency Meetings law, commonly referred to as the Sunshine Law, while Chapter 92F, HRS is the Uniform Information Practices Act (Modified) (“UIPA”). It appears from the content of the bill that the statutory reference in the newly added subsection (d) is intended to be to the UIPA rather than the Sunshine Law.

Thank you for the opportunity to testify.
