Friend --

I'm running for Governor because I believe our government can do more to bring people together and meet the promise of making Hawai'i a better place for our ohana and keiki now and in the future.

As your Governor, I will make education and growing the economy, for everyone, a priority from day one. And, I will never stop listening to residents on what matters most. But, I cannot do this alone.

This campaign is about people like you and me, working hard to provide for our families, making sure our kids are safe and that they have the best opportunities to succeed.

There is still time to help us reach our 2013 fundraising goal and help fight for a better Hawai'i for all of us! [Click here to join the campaign and make a grassroots contribution of \\$5, \\$15, \\$25 or \\$50 today!](#)
