## A blue rectangular graphic with white text. The text reads "PAID FAMILY LEAVE IN HAWAI'I" in large, bold, white capital letters. Below this, in smaller white capital letters, is the text "A PAID FAMILY LEAVE PROGRAM WILL ENSURE OUR FAMILIES ARE PROTECTED &amp; OUR ECONOMY WILL THRIVE." The bottom of the graphic features a red and white diagonal striped pattern.

Aloha Friend,

Governor Ige fully supports Paid Family Leave for Hawai'i's workforce. ***"No one should have to choose between caring for his or her loved-ones or putting food on the table."***

After the war, Governor Ige's father began working as a steelworker and his mother was a nurse. They persevered and raised six boys in their modest home in Pearl City. Growing up and experiencing struggles throughout his youth, Governor Ige knows first hand of the economic challenges that many families face.

**Governor Ige supports Paid Family Leave.** He intends to sign the bill into law once it passes through the Hawai'i Legislature. Our workforce will be stronger and families will thrive when employees can balance their work, personal and family needs without the undue stress of being forced to take unpaid leave during times of crisis.

We need Governor Ige's leadership to do the right things, for the right reasons.

Mahalo,

Team David Ige
