Trusted Leadership for Hawai'i

Friend -- I will be quick.

I am very pleased to share that my committee, Ways and Means, [just passed a minimum wage bill earlier today.](#)

As you know, I have been working for a minimum wage increase since last session and I am encouraged that very soon we will be able to increase minimum wage in increments to \$10.10 an hour by January 2017.

As we see the cost of housing, food and everyday living continue to rise, this increase will help many of us across the state.

Let's move Hawaii forward together!

Mahalo,

Senator David Ige
