Aloha Friend,

Governor Ige is working hard to support our state and our people, and to lead us into the future. Do you support the progress Governor Ige has made just this month? Show your support for economic and environmental progress by helping Team Ige **reach our June goal. We're only \$3,350 away!**

Only 1 day left!

So far in the month of June, Governor Ige worked with Mayors Bernard Carvalho and Kirk Caldwell to secure individual FEMA assistance for victims of the Kaua'i and Oahu floods and protected our beautiful environment by making us the first state to ban the neurotoxic pesticide chlorpyrifos. **Contributions like yours, Friend**, of \$10, \$25, or whatever you can spare, are an essential part of our campaign to re-elect Governor Ige, who has proven his dedication and commitment to our beautiful state.

We can show our support by meeting our June goal today. **Friend, can you help?**
