Aloha Friend,

The Hawai'i Association of Public Accountants PAC has endorsed Governor Ige! Governor Ige is honored to receive the support of HAPA, the only statewide public accounting organization. HAPA represents 650 Certified Public Accountants and other professionals who provide financial, tax, and consulting services for the people of Hawai'i.

HAPA State President Brian M. Iwata, CPA, said, "Our endorsement is based upon Governor Ige's fiscal responsibility and support of local jobs for local people during his years of public service. **His leadership has resulted in Hawai'i having an AA+ bond rating, the highest bond rating in the state's history, which saves our taxpayers millions of dollars in interest costs."**

Hawai'i Association of Public Accountants endorses

DAVID IGE
GOVERNOR

Governor Ige has taken measures to save the State more than \$268 million by demanding more oversight of government contracts, going after tax cheats, and re-financing bonds that resulted in interest savings. Furthermore, he has fought to ensure economic security for Hawai'i families by providing access to affordable college, investing in infrastructure and delivering a booming economy.

Like HAPA, we at Team Ige believe our Governor is the **best candidate to sustain our well-being and guide our future. Show you agree by joining our campaign today!**
