Aloha Friend,

From the beginning, **our campaign has been our 'ohana** -- together, we've seen the polls go down and up, waved signs in the hot sun, and I had the privilege of talking with thousands of voters across the islands about the next four years.

We were successful in winning the Democratic Primary on Saturday, and we hope to count on your continued support to win the General Election in November!

Today, as we celebrate, I want to thank every single one of you for your hard work in getting the word out. **We could not have succeeded without everyone working together.** From the bottom of my heart, thank you for sticking with us for the right reasons.

Mahalo,

David Ige
