Aloha,

Big news! A poll conducted by nationally renowned pollster Global Strategy Group was just released, showing **our campaign 12 points ahead, 45-33.** ([Read about the poll here.](#))

This growing momentum is a direct result of your grassroots support.

With just about three weeks left, let's keep moving. [Can you help us keep and grow our lead by contributing today just \\$10, \\$25, \\$50, \\$100 or whatever you can afford?](#)

You've done so much to help us tell our story. Shan and I are running for the right reasons, and thanks to your outreach efforts the people of Hawai'i are learning who in this election shares their values.

Whether it's because of our vision for helping small businesses or fighting to keep our children here at home, voters are choosing our ticket.

[Can you contribute today and help keep this incredible momentum going?](#)

Mahalo!
David
