Aloha Friend,

I have always been amazed at what my dad has been able to achieve throughout his career in public service.

My dad has set an incredible example for me. He has demonstrated that maintaining strong values -- of integrity, humility, and compassion -- can, and will, take you far. **His character has not changed from the time I was growing up to when he was elected.**

I have watched him lead Hawai'i guided by the principles he taught us growing up. **His leadership continues to drive our state forward, helping to make it a better place for us all.**

I truly believe that my dad is the best candidate for the people of Hawai'i.
Please vote on August 11th, Primary Election Day!

Mahalo,
