Aloha,

As we move into the final exciting and busy days of a campaign made momentous by your support, you may be noticing more misinformation in advertisements and mailers about David.

Many challenge his protecting our kupuna surrounding the pension issue.

In actuality, following the 2011 legislative session when the pension tax was a threat to our seniors, the AARP made a special presentation to David recognizing his dedication to seniors, specifically for his fight against the pension tax.

This is the one and only time AARP Hawaii has presented an "Outstanding Legislator of the Year" award.

Would the AARP create a special award for David if he were a threat to our kupuna?

We have been a fact-based campaign, and will remain open and honest in our communication through Election Day.

A Vote for David Is a Vote for Honesty in Elections.
