Aloha Friend,

As this election enters its **"final inning," we need our teammates** to help us finish strong!

Since his early days playing Little League in Pearl City, Governor Ige has loved baseball. From a young age, it instilled in him **the importance of being a team player, to support your teammates, and give each other the strength needed to do your best to win.**

A baseball game isn't over until the final strike, and our campaign isn't over until the polls close. **This race is now more competitive than ever,** and we can't let up the pressure.

Governor David Ige - Pearl City Little League

Although a lot has changed about Governor since his days with Little League, one thing hasn't -- he knows that it's not just about winning--**it's about winning the right way, for the right reasons.**

Friend, we could not have gotten this far without you. **Now, will you help us finish by hitting one out of the park?**

Mahalo,

Team David Ige
