Aloha Friend --

As a state blessed with coastline on all sides and horizon as far as the eye can see, the people of Hawai'i have a singular appreciation for the power and beauty of our oceans.

Rising sea temperatures and the climate changing around us are important signals that **we must take steps to protect the water that gives so much life and abundance.** By encouraging solutions to issues like plastic pollution and preventing marine litter, we can support a healthier ocean and a better future for all of us.

Sign our petition here to stand alongside all those who fight to protect our oceans:

Make sure to join us in one of the many Hawai'i World Ocean Day events going on throughout this week:

- [Four Seasons Resort Hualalai Beach Clean Up, Kailua-Kona, Hawaii](#)
- [Storm Drain Stenciling Event, Wailuku, Hawaii](#)

- [Surfrider Foundation and Sheraton Kauai Resort - World Oceans Day Cleanup and Party, Koloa, Hawaii](#)
- [World Oceans Day at Hāpuna Beach State Recreation Area, Puako, Hawaii](#)
- [World Oceans Day Celebration at Ko Olina, Kapolei, Hawaii](#)

Mahalo,

David Ige
