Aloha Friend,

The Hawai'i Fire Fighters Association Local 1463, IAFF, AFL-CIO has endorsed Governor Ige and Josh Green for the 2018 General Election!

"We appreciate Governor Ige's dedication to the state's first responders and his commitment to making our island state safer for residents and visitors. We look forward to working with him on pressing needs of our State and trust his sincerity to address all of the concerns from stakeholders that ultimately make our community better and move livable."

Robert (Bobby) H. Lee, President of HFFA

With a community of more than 2,100 active and 900 retired fire fighters statewide, Governor Ige and Dr. Green are grateful for the support we've received across the state:

"On behalf of Josh Green and myself, we truly appreciate HFFA's support. The brave men and women they represent from all four counties and the State airports are the first responders we count on 24/7 to protect us from disasters and emergencies. I am humbled by their courage and commitment to public service that help us make safety a number one priority."

For those who put their lives at risk everyday for the people of Hawai'i, Governor Ige and Dr. Josh Green will continue to fight for them and ensure they have the support they need to do their work.

In order to continue Governor Ige's great accomplishment, Team Ige Green is going to need your help to win November 6th. **Join the many endorsements by sharing with your friends why YOU are supporting Governor Ige and Dr. Josh Green.**
