Aloha Friend,

With the primary election right around the corner, we need your help more than ever in getting David elected as our next Governor! This email describes an EXTREMELY EASY way for you to help IMMENSELY, so please keep reading!!

[Click this link to view a letter](#) that briefly explains why its recipient should support David Ige for governor, and also describes how the recipient can help with his campaign.

The goal of this project is to get this letter mailed out to as many of YOUR friends, family, and acquaintances as possible! And the BEST part is that you don't even have to do any of the sending work! We will gladly mail out these letters, addressed from YOU to YOUR CONTACTS.

Here's how:

**Simply reply to this email with the following:**

- 1) Your first and last name
- 2) Your home address
- 3) Your phone number (optional)
- 4) Your e-mail address to be used on the letter (optional)
- 5) A list of as many of your U.S. mail contacts that are living in Hawaii. This includes the recipient's full name(s) and mailing address.
- 6) A short, personalized message (1-2 sentences) describing how you know David Ige and/or why you are supporting him for governor.

We will use your first and last name, and your home address, (optional phone number and/or optional e-mail address) to address the letter with you as the SENDER.

We will use the list of your U.S. mail contacts to address each letter with each of the addresses you provide as the RECIPIENT.

We will use your short, personalized message to insert into the first paragraph of the letter.

We will use type-written (not hand-written) address labels.

As you can see, the point of this project is to send personalized letters to your friends and family from you, in order to gain support for David Ige from as many people as possible. Since the recipient will be receiving the letter from someone they know and trust, they are more likely to read the letter and take its message seriously.

You do not need to make any changes to the attached letter, but if you have any concerns regarding its content, please let us know or you may change the letter (send this modified letter to us). Also, if you would feel more comfortable sending the letters out to your mailing contacts (or any other contacts; e.g. email) yourself, please feel free to do so. If you would like to do it yourself, but need some help, please come down to David Ige's headquarters (circular building on University Avenue, validated parking) during the following times, and someone will be more than happy to assist you:

July 9, Wed, 2:30pm to 5pm at campaign HQ
