Aloha Friend,

Today marks Constitution Day and Citizenship Day where we commemorate the anniversary of the signing of the Constitution in 1787. Today also provides us with an opportunity to reflect on the rights and responsibilities of U.S. citizenship, to recognize those who have become U.S. citizens, and for the many eligible legal permanent residents as they prepare to apply for naturalization.

Under Governor David Ige's leadership, **Hawai'i was the first state in the nation to challenge President Trump's travel ban, and he proudly stood with our Congressional delegation to fight against discrimination policies.**

Governor Ige has been at the forefront of immigrants and migrant rights, speaking out against mistreatment and unjust policies. **He understands that as a nation of immigrants, everyone deserves a chance at the American Dream.**

As the leader of the Aloha State, **he has embraced the tradition of welcoming all people with tolerance and mutual respect.** This is why we need Governor Ige's continued leadership. **Will you join Team Ige today?**
