Aloha Friend,

We're excited to announce a grassroots effort called [David Ige 505](https://rally.org/davidige505), and invite you to participate with your family and friends! [David Ige 505](https://rally.org/davidige505) is not just a project, it's a **MOVEMENT**. David is receiving overwhelming statewide encouragement that's generating an enormous wave of grassroots support! This movement is a way for thousands of everyday people to achieve an extraordinary result - getting Senator David Ige elected as Hawaii's next governor.

[David Ige 505](https://rally.org/davidige505) asks supporters to donate \$5.05 at <https://rally.org/davidige505>. At the website, you can also join the 505 movement by clicking the "become a fundraiser" button to get your own 505 fundraising web page (it's really easy!). Then, you can start inviting network contacts to support David with a donation of \$5.05. The 5¢ tells us you're part of the 505 team.

Our campaign treasury will be only a fraction of our competitor, but we're confident the community will lift us to victory on August 9th. And because we've agreed to the spending limit, we can qualify for one-to-one matching funds if we raise at least \$100,000 from Hawaii residents who give an aggregate of no more than \$100 each by election day. We know many thousands of people support David Ige for Governor. All we need to do is give them an easy way to show their support. \$5.05 for David.

Would you help us spread the 505 message? Check out the 505 website today at <https://rally.org/davidige505>.

David is standing up for the community, and the public interest. Let's 505 and encourage everyone to stand with him!

Mahalo,

Team 505
