Friend --

They can hear our voices all the way in Washington.

On Friday, The Washington Post ranked David's race against Neil Abercrombie 15th in the list of top 15 gubernatorial contests in the country most likely to be an upset.

"Abercrombie has a lot more money than Ige, but he's also battling lingering unpopularity," The Post said.

In honor of the ranking, we're asking our supporters to pitch in just \$15.

**Can you contribute \$15 today to stand with us?**

While D.C. pundits say this is the 15th most important race nationally, we know it's the *most* important race for our keiki, our families and the future of our state.
