Aloha Friend,

June is Pride Month! We here at Team Ige are so proud of our Governor, who last month signed legislation that **bans so-called “conversion therapy” for minors**. Finally, we have protected our LGBT keiki from harmful and futile attempts to change their sexual orientations or gender identities. This year, we can **celebrate Pride Month** knowing this pseudo-science will no longer be one of the challenges our LGBT youth face.

Governor Ige is committed to making sure all people in Hawai'i, regardless of their sexual orientation or gender identity, feel safe and accepted. As the Governor has said, "Sexual orientation is not an illness to be cured. **We accept you and love you just the way you are.**"

Please, Friend, celebrate Pride Month with a contribution to Team Ige so our Governor can continue to promote his **vision of an inclusive, loving Hawai'i.**
