Aloha Friend,

Every member of Team Ige was humbled by your support during the primary election. We will never forget how many of you joined and supported our grassroots campaign and believed in Governor Ige's policies, administration, and vision.

The work is not over and Governor Ige continues to make great strides for the people of Hawai'i.

As this quarter comes to a close, we need your help to win in November because our work is far from over.

Team Ige continues our support for Governor Ige because he is a leader who has demonstrated his ability to work with others to accomplish great things and find solutions on the issues that affect our citizens and our state. His beliefs stem from **his personal responsibility to do the right thing for the right reasons.**

Governor Ige has led the people of Hawai'i on a path toward success, **so we need to elect him for a second term. Will you continue to stand with Team Ige?**
