Aloha Friend,

Our campaign is very pleased to share that Hawaii's largest private sector union with over 20,000 members statewide announced its endorsement of David Ige and Shan Tsutsui today.

The International Longshore and Warehouse Union (ILWU) Local 142 President Donna Domingo said, "He is a person who listens to all sides, makes good decisions, and gets work done. David often says that he will 'do the right thing, the right way,' and that is very important for the ILWU. We need government that not only does the right things, but also does them in the right way—competently, with fairness, and with real concern for people in our communities."

ILWU Secretary-Treasurer Guy Fujimura said, "Our members recognize David as a guy who goes to work, has a sense of responsibility, and gets the job done, just like they do. He's doesn't just talk about the work—he does the work."

David thanked the ILWU and said, "I know what it's like to struggle to make ends meet, and you can be assured as governor I will be looking out for the interests of all our working families throughout Hawaii."

Let's Keep Building Team Ige-Tsutsui,

Leighton K. Lee (Interim Campaign Manager)
