Aloha Friend --

Recently, I was able to sit down with Gerald de Heer on F.A.P.E. Now! on the Olelo channel to talk about the issues that hard working residents in this state are dealing with on a daily basis.

While talking with Gerald, I was able to share my vision to move Hawai'i forward. We discussed important issues like education, keeping our kids safe, strengthening our economy and how to bring people together by building consensus to find solutions to the problems we are currently facing. We will only be able to move Hawai'i in the right direction if we all work together.

Only united can we move Hawai'i in a direction that will provide for future generations, like our Kupuna did for us!

Mahalo,
Senator David Ige
