Aloha Friend,

Another endorsement has come in! This week, **the General Contractors Association of Hawai'i has endorsed Governor David Ige and Dr. Josh Green for the general election!**

"We are focused on ensuring that Hawai'i has a healthy construction industry, while improving the quality of construction and protecting the public's interest. GCA believes that Governor Ige and Dr. Josh Green understand the broader issues challenging our state and the issues specific to our growth and well-being."

-Lance Wilhelm, Chair, GCA Legislative Committee, Member, GCA Board of Directors

This endorsement is especially meaningful for Team Ige. **The construction industry plays a vital role in our economy and has impacted many of Governor Ige's initiatives during his first term** including building, repairing and investing in key infrastructure systems including transportation, roads,

bridges, airports, and public buildings.

We are so pleased and excited by the endorsements and support we continue to receive. We have a chance to continue making our mark for a better Hawai'i, but Team Ige needs your help to get there. **Will you join Team Ige and endorse us for the Election on November 6th?**
