Friend,

I'm disappointed to hear that the governor is considering vetoing Senate Bill 2682, which would require the governor's appointments to more than a dozen key state boards to disclose their financial interests.

I was proud to vote for this legislation, as were all of my colleagues in the Senate and House. Not a single member of the Legislature opposed this bill. [As I mentioned in my press release yesterday, the Legislature listened to the many citizens who want a more open government, and I call on the governor to do the same.](#)

I'm proud of the support I've received from residents all across Hawai'i. I believe a transparent government is best for all of us.

[If you agree, please pitch in \\$5 to our campaign to make sure we can have the open government Hawai'i deserves.](#)

Mahalo,
David Ige
