Trusted Leadership for Hawai‘i

Aloha --

As you know, our campaign has received some great news over the past few days. The Star Advertiser and Hawaii News Now released a poll showing us in a strong position even with the campaign in its early stages. In fact, we've reduced the gap to a single digit margin.

I was also honored to receive the HSTA's endorsement this weekend. Wil  [IMG\\_5412.jpeg](#) Okabe, the union's president, said this endorsement was to "send a very strong message, not only to the people of this state of Hawaii, but we wanted to make sure that our brothers and sisters in other unions can recognize the leadership quality that David has."

Our campaign has been reaching out to members of our party as we near convention time, and will continue to do so. I hope that with this latest evidence of our momentum, you will consider pledging your support to our campaign to help move Hawaii in a new direction.

If we can count you in, please call 808-462-4567 or toll-free at 844-468-8800, email us at [info@davidige.org](mailto:info@davidige.org) or [click here](#) to sign up.

If you're interested in seeing what our campaign is like up close and in person, I'd like to extend a personal invitation to our Oahu headquarters opening on Saturday, March 1st at 11:00am. Come join us for fun, food and friendship. [Click here for more information and to RSVP.](#)

David
