Aloha Friend,

My deepest hope is that you and your family are safe and sound after Iselle. It is never a good time for a storm to hit, but we in Hawai'i always show resiliency and unity in the face of hardship.

This is a special place, home to special people.

This place and these people deserve a voice.

I don't have to tell you how important this election is. We are on the verge of an historic victory for our state.

Please get out to vote and encourage your family and friends to do the same.

**Polls are open today from 7 am to 6 pm. Click here to find your polling place.**

We have already shown the nation that elections in Hawai'i are different -- that they won't be bought by special interests, that huge fundraising advantages do not matter.

Here, the people matter.

Mahalo,  
 David
