Aloha Friends:

You've probably seen a new TV ad in which David's Republican opponent is criticized for opposing a woman's right to choose. The ad is produced by Hawaii Forward, an independent group supported by the Democratic Governors Association. Our campaign has no affiliation with this advertiser. Under federal law we are prohibited from communicating with them on the content of their ads.

As our campaign has demonstrated, David is committed to a positive vision for Hawaii and our ads reflect this positive message of competence, hope, and change. The Ige campaign did not run negative ads in the primary against Governor Abercrombie and the Ige-Tsutsui campaign will not run negative ads against our General Election opponents.

David is a strong supporter of women's freedom of choice.

Here is a link to the news coverage of the ad:
