Aloha Friend,

From the bottom of our hearts, mahalo nui loa for voting and sharing Governor Ige and Dr. Josh Green's message with your friends and family.

From the start, Governor Ige had a vision for a better Hawai'i -- **where workers could make a livable wage, our keiki would have the tools to succeed in school, and our kūpuna were cared for.**

Governor Ige carried out his vision, guiding us through strong economic diversification and providing thousands of new jobs. During his first term, he also **cooled over 1,300 classrooms** and worked with educators to create a Blueprint for Education. He delivered thousands of affordable housing units, reduced homelessness, funded Kupuna Care, and provided relief for victims of Hawai'i's natural disasters.

Under his leadership, Hawai'i became a leading example in the country for preserving our environment, enacting sensible gun reform laws, and standing up against President Trump's hateful rhetoric.

We are sincerely grateful for your support and extend our thanks for your vote and all your hard work. We are proud of our campaign, which touched the lives of so many families and individuals with integrity and warm aloha. **Governor Ige and Dr. Josh Green will continue doing the right things for the right reasons,** and Team Ige is excited to see what he and his administration will accomplish in the next four years!

Mahalo,

Team David Ige
