Aloha Friend,

Last night, at the Waimea Community Association Democratic forum on the Big Island, David once again showed his composure, intelligence and understanding of issues affecting our state and those directly affecting Hawai'i Island.

Clearly the leader at this fourth face-to-face meeting with the incumbent governor, David again answered questions directly and honestly, and shared his plans for moving the state forward.

Will you donate \$10, \$25 or \$50 today to David's grassroots campaign today? Let's move Hawai'i forward -- together.

Throughout this campaign and his 29 years as a legislator David has been forthright and earned a reputation as a trusted leader who is willing to address any issue or situation with respect and balance.

Asked in a final question by the moderator what the chief differences between he and the incumbent governor were, David emphasized that his 35 years of private sector real-world business experience have made him a more well-rounded and independent decision-maker as a public servant. He emphasized his ability to bring diverse people together, find common ground, and move groups forward to reach consensus.

As governor, David will be a leader who makes state government work better for the good of Hawai'i.

Donate \$10, \$25 or \$50 to the campaign -- there are only 16 days left!

Let's continue to work toward victory on Saturday, August 9.
