Aloha,

In last night's KHON-AARP gubernatorial forum, David demonstrated why he was selected as the AARP 2011 Outstanding Legislator of the Year. His personal commitment and track record shows years of supporting our seniors, the Kupuna Care Package, and other legislation aimed at supporting our senior population.

As Governor, David will continue to support legislation to require hospitals to train families in the needed medical tasks required to take care of their elderly loved ones at home upon hospital discharge. David voted in favor of this bill in the past legislative session to help kupuna remain as independent as possible and to remain in their home.

In an effort to provide more funds to care for the growing medical needs of our senior population, David has supported legislation that would make all services covered in the Kupuna Care Program also eligible for Medicaid coverage. As Governor, he will continue to push for this change as it will provide needed medical services for a larger senior population. He will also continue to seek changes to Medicare coverage to benefit our seniors.

At the top of the list -- regardless of what his opponents say -- our kupuna population remember that it was David Ige who fought for them and killed the proposed retiree pension tax in 2011. David knew the implications the tax would have on our seniors and did not believe in balancing the budget on the backs of our respected elders.

David has been there for our kupuna and for all of Hawaii's working individuals and families.

**Can you donate \$10 or more to our campaign today? Our grassroots effort is how we will win this election.**

For our kupuna and their families, let's get David across the finish line first on Tuesday, November 4th.

Keith Hiraoka  
Campaign Manager

**P.S. We have less than four weeks until Election Day. Every dollar you contribute today is huge for our campaign. Please donate \$10 or more today, and let's win this thing.**
