Aloha Friend,

Today, the Hawaii State Teachers Association, which represents approximately 13,700 educators from public and charter schools, endorsed Governor David Ige today!

From expanding the Early College program so all Hawai'i public school students can earn college credits while in high school to creating Hawai'i's Promise to eliminate the cost barriers of higher education for students in need of financial assistance, **Governor Ige has always been a champion for our teachers and students.**

Governor Ige knows that investment in education is the greatest predictor of economic innovation and success, and Team Ige is thrilled for

the Governor and the recognition he has received for his many accomplishments for Hawai'i's education.

If you stand with Team Ige and our teachers, Friend, will you share this great news with 3 of your friends?

Mahalo,

Team David Ige
