Aloha Friend,

Today, Team Ige proudly celebrates Women's Equality Day, commemorating the U.S. Constitution's 19th Amendment which secured the American women's right to vote in 1920. **We honor the many advocates who worked tirelessly, and those who continue to fight for women's equality.**

While days like this are an opportunity to reflect on how far we've come, Team Ige knows there is much work to do to reach full equality in wages, healthcare, and the workplace. Governor David Ige is a strong advocate for women, signing laws that expand women's health coverage, supporting Title IX to UH campuses, and fighting against discrimination. **We also want to extend a huge mahalo to those who stood with him as Hawai'i was ranked in the top 5 best states for women's equality this year.**

Women's equality is a basic human right, and to build a solid foundation we need your help! The journey is long, the struggles are hard, but the efforts are truly worthwhile for women today and our future generations. **Please join us to re-elect David Ige, a Governor who will fight for true equality.**

Mahalo,

Team David Ige
