Aloha Friend,

Ballots have dropped, and early voting has officially started. [Make a plan to vote and make sure your voice is heard](#) - there are only two weeks until the election and just a week left to request a mail ballot!

[Hawai'i offers a variety of ways to cast your ballot and register to vote.](#) For more information on all your options you can find out more [here](#).

Lastly, if you are not a registered voter, it's not too late! [You can register at your early-voting location based on your residential address](#) as long as you are a U.S. Citizen, a resident of the State of Hawaii, and at least 18 years of age, you will be able to register and vote.

[So make a plan to vote, and make sure your friends and family have a plan too!](#)

Mahalo,

Team David Ige

P.S. Early Voting has already begun, and ballots dropped last week! If you have not requested your Mail-In Ballot, you have until October 30th!
