Aloha,

Did you see David in the debate on the Big Island on Thursday?

Once again, David showed why he is the only candidate for Governor who can deliver for Hawai'i. The choice is obvious.

Can you donate \$25 or more right now to help us bring this election home?

David reemphasized that as Governor he will continue his work to make Kona Airport the second international entry point for visitors. He authored the original bill that enabled the creation of charter schools, which has shown real results for our keiki on Hawai'i island, having the most charter schools in our state.

The audience, which included many small business owners, understood how David's 35 years of experience in the private sector will help grow our economy and create more good-paying jobs here.

We are getting our message out on television, radio, the Internet -- everywhere we can. But it's not cheap -- **and absentee ballot have already gone out on the Big Island. People are already voting!**

Donate \$25 or more today and stand with David for a stronger Hawai'i.

P.S. David is focused on keeping this race positive because he is running for the right reasons. He has denounced the talk stink campaign. Help us keep our positive ads on the air to focus on the issues that matter most to our ohana.
