Aloha Friend,

Seventeen years ago today, the terrorist attack on 9/11 took nearly 3,000 innocent lives, changing the course of our country.

Hawai'i lost nine people who had strong ties with our islands. To the families and loved ones of Georgine Rose Corrigan, Richard Keane, Maile Hale, Michael Collins, Richard Y.C. Lee, Patricia "Patti" Pitchford Colodner, David Laychack, Christine Snyder, and Heather Ho, we will never forget. Team Ige continues to honor the memories of those lives lost, the brave first responders who sacrificed their lives to save others, and those who made the ultimate sacrifice for our country in the years that followed.

People of all walks of life felt the terror and uncertainty inflicted upon this country, and it continues to shape our lives today. While our nation has always responded to tragedy with strength and courage, the September 11 attacks also demonstrated the importance of compassion in the midst of disaster.

With these memories in mind, we call on everyone to take a step forward and **donate your time or resources to Red Cross Hawai'i** to aid residents who have been affected by the recent volcanic, hurricane, and flood devastation. To donate to those efforts, **[click here!](#)**

Mahalo,
