Aloha Friend,

A [new Honolulu Star Advertiser poll](#) came out today and not only did we close the gap, but we are ahead by 4 points! Friend, our strong momentum continues and with 27 days left before the Primary Election, [we cannot stop!](#)

There are still a good number of undecided voters and we need to reach out to each and every one -- **meaning this race is now more competitive than ever.** [Let's continue our hard work and continue sharing Governor Ige's incredible accomplishments](#) between now and August 11th.

Friend, we also need YOUR help to reach out to the undecided voters and to make sure the people of Hawai'i vote on August 11th. Every contribution you have made goes towards making sure our canvassers have door literature, adequate supplies for our volunteers, and yard signs and banners for supporters like you. [That's why we're asking everyone on this list to please chip in \\$10, \\$25, or \\$50 today to help us build momentum toward Election Day.](#)

Governor Ige is a quiet but effective leader who does the right thing for the right reasons. The people of Hawai'i have benefited from his leadership: homelessness is down, employment continues to rise, Hawai'i is one step closer to building a sustainable future, and affordable education is within reach for young students across the state.

Friend, will you chip in today so we can continue to reach voters with our message?
