Aloha Friend,

The **United Public Workers Local 646 has endorsed Governor David Ige!** The Governor is honored to receive the endorsement of the UPW, which represents nearly 14,000 men and women who are the backbone of our State and local government – working in public buildings, schools, universities, hospitals, and parks.

“Governor Ige is the people’s candidate,” said UPW State Director Dayton M. Nakanelua. “His record speaks for itself. He understands and has a practical knowledge of what it takes to move Hawai‘i forward in the 21st century.” Governor Ige has a proven track record of fighting for workers and the everyday person trying to make an honest living. Under his leadership, **Hawai‘i is experiencing record high employment, and we are making smart investments in our schools, roads, affordable housing, and hospital infrastructure.**

Governor Ige is a "man of action, answering the citizens' call for more government accountability, cracking down on tax fraud, and thus saving the state more than \$268 million." Hawai'i is benefiting in countless ways from Governor Ige's tireless work. **We need four more years of his leadership, Friend. Will you contribute today?**
