Salutations `Ōpio Supporters!

There is less than 50 days left before the general election! Let's maintain our momentum and continue to support the Ige/Tsutsui campaign to ensure victory!

As the general election nears, our continued involvement in community events, service projects and other campaign related activities become increasingly important. YOU can make a difference in the election!

We encourage you to not only participate in events, but also help `Ōpio to recruit new members. If you would like to be part of our `Ōpio movement, below are the upcoming events that `Ōpio will participate in. **Please reply to opio@davidige.org to let us know that you are coming!**
