Aloha Friend --

Below is a link to a video I would like to share with you in response to the Governor's recent State of the State Address. I have said all along that it is wrong to make promises that cannot be kept and proposals that are not fiscally sustainable.

Our campaign is about bringing people together to move our state in the right direction. **I cannot do this alone, and ask that you join our grassroots team by making a \$15, \$25 or \$50 contribution today.** Together we can get our state back on track!

Mahalo for your support!

David
