**Trusted Leadership for Hawai'i**

Aloha Friend --

I have said from the start of this campaign that we must work together to move our state in the right direction. As your Governor, making decisions with your input in mind, along with my commitment to bring together and serve all of our state's communities, would be a top priority of my Administration.

With that in mind, I am asking you to please help our campaign in three simple ways, each only taking a few minutes of your time.

1. [Click here](#) to take a short online survey letting me know which issues matter most to you and your family.
2. Forward this email to at least 10 of your friends, coworkers and family members asking them to complete the survey.
3. [Click here](#) to share this same survey on your Facebook page if you have one. Make sure you "Like" our Facebook page while you are at it!

Your input and assistance in sharing this survey will be a big help as we start the new year!

Mahalo,

David
