Aloha Friend,

UNITE HERE Local 5 has endorsed Governor Ige! Local 5 represents approximately 11,000 workers throughout Hawai'i who work in hospitality, health care, and food service, and the Governor could not be more thrilled to receive their endorsement.

"Local 5 is endorsing Governor Ige in his re-election campaign because he has been loyal to Hawaii's working families. We saw this when he vetoed a bad Airbnb bill; if it had passed, it would have allowed illegal vacation rentals to overrun our state and take away what little affordable housing is left for locals. He shot down the NextEra merger with Hawaiian Electric, which would have been disastrous for working families who already pay way too much for utilities and can't afford to pay more," says **Eric Gill, Financial Secretary-Treasurer of Local 5.**

Friend, under Governor Ige's leadership, we are **welcoming more visitors** to Hawai'i than ever before. The tourism industry is booming, and Governor Ige believes tourism industry workers are the backbone of Hawai'i's economy and they deserve **livable wages and better benefits**. We are on track to having the **lowest-in-the-nation unemployment rate**, and we're cracking down on illegal vacation rentals. Will you join Team Ige today to help re-elect the Governor who puts the needs of everyday people above those of the wealthy and well-connected?
