Aloha Friend --

With just a few hours left, we wanted to make sure you saw our last email. Team Ige has always been proud of being a grassroots campaign, and we know we have made it this far because of your support! **Will you help us reach our March goal?**

Mahalo,

Subject: So close to our March goal!

To: Friend

Aloha Friend --

Governor Ige has made great strides for the people of Hawai'i. He has revolutionized how Hawai'i uses renewable energy, guided the economy to new heights, and made education more accessible for everyone.

But Team Ige knows his work is far from over!! So we need your help reaching our goal because we cannot place the future of our State in misguided hands, jeopardizing all of the hard work Governor Ige and this administration have accomplished.

Will you support our mission for a better Hawai'i for generations to come?
With a donation of \$5, \$10, or \$25, we can reach our March goal and ensure the future of Hawai'i is in the right hands.

Mahalo,

Team David Ige
