Trusted Leadership for Hawai'i

Aloha Friend --

I'll keep this brief. It's been my honor to work on David's campaign to elect him the next governor of Hawai'i. Senator Ige believes in bringing a new kind of leadership to the Governor's office.

He pledges to work with everyday people to move our state forward.

To do that, we need grassroots contributions from people like you.

Can you pitch in \$10, \$20 or \$50?

At the beginning of April, the finance team set out a goal for the month of raising \$10,000 from grassroots donors like you.

If just 1,000 donors like you give \$10, we'll hit our goal by the end of the month.

Help us hit our goal. Please contribute \$10, \$20, \$50, or whatever you're able to give to make sure we get there -- and the Governor's office.

Mahalo,
