Aloha Friend --

I'm humbled to share that as a direct result of your great grassroots support, the latest non-campaign poll has confirmed that we are ahead! The Honolulu Civil Beat just reported that we are 11 points ahead, 48-37 percent, with just eight weeks until primary election day on August 9.

As we move forward together, let's remember that polls are snapshots in time along the campaign trail, and the final poll is decided by us on election day. Please keep the momentum building!

The results confirm that our community-building, friend-to-friend, word-of-mouth campaign will carry us well past any excessive fundraising and paid advertising, and on to victory!

**Pitch in \$11 or more today to help us grow that 11-point lead.**

Let's continue working together for a better Hawaii.

Mahalo,  
 David
