Aloha Friend --

In case you missed the big news recently, our campaign took a major step forward. **Former Governor Cayetano, who is a long time ally of Governor Neil Abercrombie, threw his support behind our campaign for governor.**

I know that this was not an easy decision, but to quote Governor Cayetano "The stakes are too important for friendship to get in the way." Both Governors Cayetano and Ariyoshi have insights and perspectives that you can only get from someone who has served as governor. I am humbled by their commitment and welcome their support for our campaign.

I ask you to stand with Governors Cayetano and Ariyoshi by contributing to our campaign to move Hawai'i in a new direction by clicking here!

I have said all along that we can move Hawai'i forward together. And, as your governor, I will lead by listening and building consensus to ensure that all of us find a voice within my administration and provide leadership that will bring us together, not divide us.

Standing together we will move Hawai'i in a direction that will provide for future generations, like our Kupuna did for us!

Maholo,

Senator David Ige
