Aloha Friend,

If you registered to vote on Tuesday, October 9th, you can now request a **Mail-In Ballot for the General Election.**

A graphic with a blue background and a green border. The text is white and green. It reads: "The deadline to request a Mail-In Ballot is Tuesday, October 30th, and **BALLOTS DROP THIS THURSDAY**".

**The deadline to request a Mail-In
Ballot is Tuesday, October 30th, and
BALLOTS DROP THIS THURSDAY**

To [request a mail-in ballot, fill out the application here](#) and mail or hand deliver it to your local clerk's office. Once you receive the ballot, **you can mail it back, or you have until the close of polls at 6:00 PM on Election Day, November 6th** to return your ballot to your Clerk's Office or to any polling place within your county.

It's that simple!

Lastly, with the rapid advancement in technology and civic engagement, it is only right that voting is made even more accessible, and Hawai'i has been at the forefront of innovation when it comes to modernizing our elections. **Hawai'i is one of the few states that offers same day registration.** If your friends and family are not yet registered, encourage them to register and begin participating in our democracy!
